

The best access is from the A417/A19 dual carriageway exiting at the Spine Road Junction (blue arrow route on the map). Follow signs for South Cerney Industrial Park. Take the second turning right off the Spine Road. The business park is on your left just before entering the village. All parking spaces are allocated to the various units. Visitors should park on the service road.

Currently we use the Four Pillars Hotel to accommodate students on the majority of our residential courses. The hotel operates a taxi shuttle service between the hotel and the training venue exclusively for the use of AITS students. Further details are given in the joining instructions. When the taxi is not operating (typically on the last day of the course/last day of the week, cars may be parked at the training venue which is 2 miles from the hotel). For those who are keen cyclists, the two mile route to the training venue is flat and passes through the Cotswold water Park.
